(b) An application for a permit shall be filed on a form provided by the commissioner.

(c) The permit shall be posted in a conspicuous place or kept available for inspection at the principal place of business of the permittee. A dealer permittee shall reproduce the permit and display it in a conspicuous place at each additional place of business from which natural gas is sold, delivered or used in motor vehicles.

(d) Application for a permit shall be accompanied by a bond, payable to this state, as provided in part 6 of this chapter.

(d) For the purpose of reporting the amount of tax imposed by § 67-3-1113 on metered compressed natural gas, each dealer shall file with the commissioner, on a form prescribed by the commissioner, a monthly report on or before the twenty-fifth day of the month following the month of activity, whether or not fuel is used or sold, and remit the tax due and collected. The report shall be executed under a declaration of penalty of perjury and shall state the total amount of compressed natural gas dispensed by the permittee within the state.

(e) A dealer shall keep for four (4) years, open to inspection at all times by the department and the attorney general and reporter, a complete record of all metered compressed natural gas received and used or sold.
